Formica® Group

### REACH Compliance Statement

The European Union Regulation EC 1907/2006, entitled "Registration, Evaluation, and Authorization of Chemicals" (REACH) came in to effect on June 1<sup>st</sup> 2007.

The REACH regulations ensure a high level of protection of human health and the environment by controlling the use of harmful substances within the European Union.

Formica Group is a manufacturer of decorative high pressure laminates that are used in the downstream market and are considered to be "Articles" under the REACH regulations.

Formica products do not contain greater than 0.1% weight by weight of any of the chemicals identified as a substance of very high concern (SVHC) on the "candidates list for authorization" published by the European Chemical Agency (ECHA)

The products supplied by Formica Ltd do not contain substances of very high concern (SVHC) greater than 0.1%. Under normal and foreseeable circumstances of application, Formica Ltd products will not release any harmful substances as defined by the EU REACH Regulations.

Formica Ltd acknowledges its responsibility to advise customers of any products in relation to REACH and will continue to monitor the regulations closely to ensure continued compliance.
