Swatches are a printed representation of the product and may vary from the actual final product. Wear and scratches on dark colors are more apparent and require more maintenance.

Please view an actual sample of the product prior to making your final selection.

Las muestras son una representación impresa del producto y pueden variar con respecto al producto final. El desgaste y los rayones tienden a notarse más en colores oscuros y por tanto requieren mayor mantenimiento. Por favor ve la muestra física del producto antes de efectuar la elección definitiva.

Les échantillons représentent des illustrations imprimées de la couleur et pourraient différer du produit final. L'usure et les rayures sur les couleurs foncées sont plus apparentes et nécessitent plus d'entretien. Veuillez examiner un échantillon réel du produit avant de prendre votre décision finale.
